

USB 3.0 External Solid State Drives

Rugged, fast and compact, Verbatim's USB 3.0 External Solid State Drive (SSD) is the ideal portable data storage solution for any USB 3.0 or SSD equipped device. Offering read speeds up to 190MB/sec* and write speeds up to 140MB/sec, Verbatim's USB 3.0 External SSDs handle large data transfers quickly and are ideal for video editing, interchanging large amounts of data or backing up your system -- FAST!

The Verbatim USB 3.0 External SSD features an ultra slim design and also comes with a protective carrying pouch, making it the ultimate in portability! In addition, they feature low power consumption which extends laptop battery life and completely silent operation.

Key Features

Speed

USB 3.0 interface, plus advanced 8 Channel IO architecture maximizes data throughput performance in all USB 3.0 ports (also 100% compatible with USB 2.0 ports). Up to 190MB/sec. transfer rates*, perfect for saving and transferring large files.

Durability

Reliable Solid State design resists shock and rough handling and is able to withstand everyday knocks in stride.

Energy Saving

The low power consumption conserves laptop battery life.

Portability

Ultra-slim form factor and protective carrying case offer the ultimate in portability.

Part #	Description
47622	Store 'n' Go® USB 3.0 External SSD - 128GB (Up to 140MB/sec Write Speed)
47623	Store 'n' Go® USB 3.0 External SSD - 256GB (Up to 95MB/sec Write Speed)

*USB 3.0 connection required for maximum performance. Also compatible with USB 2.0 ports
